

## Instructions for Organic Registration

Please read all of the following information carefully, as failure to follow the instructions could result in civil penalty as set forth in Section 22-1104, Idaho Code.

The Idaho Organic Food Product Rules (IDAPA 02.06.33) requires three types of operations to register with the Idaho State Department of Agriculture:

- 1) All organic producers/handlers in Idaho with five thousand dollars (\$5,000) or less annual gross organic sales and not certified by an accredited certifying agent,
- 2) All organic producers/handlers in Idaho certified by agents other than the Idaho State Department of Agriculture, and
- 3) All agents certifying producers/handlers in Idaho.

Registration requires compliance with NOP standards and submitting an application and appropriate fees.

### **Instruction for organic registration:**

- 1) Request an application packet from the ISDA Organic Program or download the application form from our website: <http://www.idahoag.us/Categories/PlantsInsects/Organic/OrganicFormsReportsPubs.php>.
- 2) Complete the application form and submit with appropriate fee.
- 3) Upon review of your application we will send you confirmation of your registered status.
